

Clean Marine Commitment Form

As a boat owner and member of the Lower Mainland Yacht Coop I agree to abide by the Clean Marine Policy adopted by the Board, and to this end I agree to:

- **Disposal of material:**
 - Place all recyclable and non-recyclable materials in the appropriate bins.
 - Remove all hazardous and oversized material from the dock.
- **Bilge pumping and use of oil absorption pads:**
 - Lay absorption pads in the bilge and to not pump oily water overboard.
 - Oil changes and motor work.
 - Use my floating oil boom when changing oil in an outboard motor.
 - Use absorption pads in the bilge when working on an inboard engine or changing the oil.
- **Black water:**
 - Not to discharge black water at the float, and to use land facilities when possible.
- **Grey water:**
 - Not to use polluting soaps and chemicals, but to use environmentally safe products.
- **Power cords:**
 - Use properly authorized electrical cords and plugs.
 - Ensure power cords are laid out so as not to touch the water.

Boat Owner(s) – Lower Mainland Yacht Coop (LMYC)
